INVITATION

We are proud to be able to invite all Shorthorn breeders and friends to attend the 5th Annual Sale to be held at Glenburn Farms, Unionville, Ontario, on Tuesday, October 7th, 1941.

It is our conviction that in these troubled days it is the duty of every breeder on this fortunate continent to do his utmost to produce better livestock and to eliminate the scrubby, inefficient kind. The past record of these three herds is ample proof of their ability to product this type of Shorthorn.

A glance at the winnings of this sale offering at the 1941 C.N.E. and elsewhere should convince you that this sale contains our top animals. With all sincerity, we believe that in this choice selection from the three herds you can find the type, breeding and quality you need. You would be wise to see them before investing elsewhere. We offer you more for your money.

U.S. breeders who decide to purchase in these Canadian sales reap the additional advantage of a 10% premium on U.S. funds. Don't miss this golden opportunity.

Terms and Conditions

The cattle offered in this sale are thoroughly healthy and are sold with a guarantee to conform to the health regulations of any province or state into which they may go. All papers necessary for shipment to the United States will be provided.

1. Proper care should be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age.

3. Cows sold with calves by side are considered proven breeders. All other cows and heifers sold as a single lot are guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

5. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal. Any animal in this sale can be registered in the American Shorthorn Breeders' Herd Book.

As soon as cattle are sold, they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

6. **TERMS.** Cash, unless other arrangements are made before sale.

A view of some of the cows and calves in Beath Farms pasture. The good heads, ideal type and attractive color of the herd are strongly in evidence in this picture.

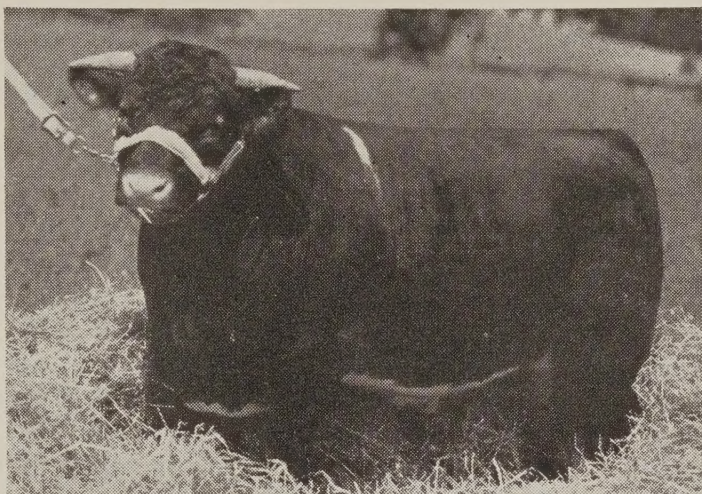

IT HAS been said by a good many cattle breeders that Beath Farms have one of the best herd of females in Canada. The first thing that impresses you when you go among them is the nice heads with flat horns of a waxy color. Then you notice the good milking qualities of these cows, along with the absence of those "colory" nurse cows. People who have purchased cattle from this herd have found they do well for them. A Rosewood heifer bred by Beath Farms was Grand Champion female at all the shows on the Western Circuit this year for Glenburn Farms. The sire of the grand champion bull and the dam of the grand champion female at the C.N.E. this year were both bred and raised at Beath Farms. So, although they have not been showing for a few years, it is a good place to buy a few show cattle along with a good breeding lot. Try to see this herd and you will decide the cattle they are offering in this sale are the kind of cattle that make up a good breeding herd.

At the C.N.E, this year, Lance Beath, 13 years of age, fitted a junior steer that stood 2nd in an open class of fourteen and a junior heifer that stood 1st in the Junior Farmers' Club.

Beathton Marshal is a most attractive calf. He is an unusually blocky, short legged fellow with a head that will make you like him at once. He will improve the hind quarters of any herd. His dam is the dam of the best heifer in our herd and her bull calf last year, a rich red, topped our sale. We consider that he will develop into as good a bull as ever left our herd.

\$350 Gilbert Elken, Jr., Mayville, No. Dak.

Here is a grand, low-set, deep bodied bull with an impressive head and splendid bone. His sire was the top bull ever sold by Auction sired by the famous Collynie Royal Barrage. His dam is an especially thick, low-set cow and is a great milker.

This group of heifers selling in our Sale. Note the heads and horns and general conformation and you will decide any one of them will be a good addition to any herd.

KLAYMOR BEAU IDEAL

The top selling bull in Canadian sales for a number of years. Added to the Beath herd in 1938. Along with Roland Clipper they are producing the kind of cattle every one is looking for.

GLENBURN SHORTHORNS

During the past fourteen years, in the show rings of Canada and the United States the Glenburn herd has made a record unequalled by any other Canadian herd. 1941 has been no exception, for, showing in 66 classes in Western Canada, Glenburn animals took 58 first prizes, and at the C.N.E. in Toronto, Deacon entries topped 6 of the 11 single classes in which they competed. Eight members of this show herd are listed in this catalogue, and under six different judges have already demonstrated their supremacy.

The Glenburn herd has frequently been described as "luckier than any other in getting good breeding bulls." Edellyn Favorite, Glenburn Field Marshal, Bugler's Guard and Brawith Chief proved their merit as show and breeding bulls. Klaymor Royal, outstanding as a show bull, sired the three bulls, Glenburn First Aid, Glenburn Gold Cup and Glenburn Glorious, that won the senior, junior, reserve junior, grand and reserve grand championships at all four shows on the "A" circuit in Western Canada this summer. Another son, Glenburn Herald, won the junior calf class at the C.N.E., as Glenburn Gold Cup had done at Chicago last December.

Killearn Rothes not only sired the grand champion steer at the 1940 C.N.E. and the undefeated heifer calf of the 1940 Western shows, but also the undefeated summer yearling heifer of the 1941 Western shows, the first prize junior yearling bull at the 1941 C.N.E., and Glenburn Lady Rothes, five times junior and reserve grand champion, as well as undefeated heifer calf under seven different judges.

See these great breeding bulls and their get, and note the beautiful type, colour and character of the little calves by the junior sires, Glenburn Royal Ransom and Glenburn Royal Flush.

BEATH-DEACON-MURPHY SHORTHORN SALE, OCTOBER 7, 1941

GLENBURN GRAND DUKE — 1st prize junior yearling bull at the 1941 C.N.E. He is very thick and smooth with a wealth of mellow flesh. This family has been outstanding for milk and beef in our herd and Glenburn Broadhooks was one of the "best two head" at Chicago in 1930.

It is our pleasure to be associated in this combination sale with Beath Farms, Oshawa, and Glenburn Farms, Unionville, at whose latter farm through their courtesy this sale is being held, as we feel in so doing we can offer the best Shorthorns found anywhere in America. We join with them in extending to you a very cordial invitation to be present where you will be welcomed as Shorthorn enthusiasts.

We are very happy that our offering is composed entirely of cattle bred by ourselves and we feel sure that they will please the most critical. There are real outstanding herd bull prospects of the modern type, colour, and the best breeding. The females are without a doubt the very best we have ever offered for sale. The entire offering is sired by Rigfoot Sensation.

Rigfoot Sensation was junior and grand champion at the 1937 Royal Winter Fair and was senior and grand champion at the same show in 1938. Thus he became known as Canada's greatest show bull. Since showing his calves, our success with them has made him recognized as Canada's greatest sire. He sired the reserve junior champion bull at the 1939 C.N.E. He sired the junior and reserve grand champion female at the 1940 C.N.E. He sired the reserve junior champion bull and the reserve junior champion female at the 1941 C.N.E.

We respectfully call your attention to the uniformity of our cattle as well as to their good type, splendid heads and rich quality. You will note from the following pages that their pedigrees are most acceptable. We trust that you will get as much satisfaction in buying and using these Shorthorns as we have had in producing them.
